Dear Sir,

The Consulting as well as the Senior Resident Engineer can hereby confirm as follows :

The Company M / S TECO Group, Jundi Electrical Industry / Jundi Contracting Co. is the Supplier for the electrical Equipment and the complete Automation and the required SCADA Program for the Waste-Water Treatment Plant "Wadi Shallala" Greater Irbid.

Furthermore the Company TECO is responsible for the complete Installation and Commissioning.

All electrical Work and Installation as well as the Production of all Control Cabinets, MCC etc. were carried out according to the International Guidelines of the EU – Norm (European Standard) with highest Quality and Perfection in accordance with the requirements and conditions of the Contract.

Due to the International Experience of the Company TECO as well as the technically highly trained Staff and Engineers, was installed a perfectly functioning and automated electrical System through the Company TECO and submitted to the Consulting as well as the Senior Resident Engineer.

Thus, a hesitation recommending the Company TECO be pronounced concerning the Reliability and Punctuality as well as the Quality.

Best Regards,
