Subject: Hager Authorized Panel Builder

We are glad to inform that M/s TECO GROUP - Jundi Electrical Industry, Amman, Jordan is a Hager authorized panel builder procuring low voltage switchgear components through our authorized distributors.

Hager Middle East FZE has no objection for the use of their low voltage components into the panels assembled by M/s TECO GROUP - Jundi Electrical Industry, Amman, Jordan.

Hager products purchased by M/s TECO GROUP - Jundi Electrical Industry, Amman, Jordan from authorized distributors are covered under standard warranty terms, provided that they are selected, installed and commissioned as per relevant IEC Standards, electric regulations and Hager instruction manuals. Hager offers complete technical documentation, instruction manuals and apt training required for proper installation of products to M/s TECO GROUP - Jundi Electrical Industry, Amman, Jordan.

The quality and warranty for the final assembled LV switchgear shall solely rest on M/s TECO GROUP - Jundi Electrical Industry, Amman, Jordan.

We wish M/s TECO GROUP - Jundi Electrical Industry, Amman, Jordan every success for their future projects.

This letter is valid for 1 year from the date mentioned above.

Thanks & Regards,

Asad Shariff
Sales Manager, Export
